Proposed Amaranth Soil Management Facility Environmental Assessment

Terms of Reference

Public Information Open House #2

Amaranth Soil Management Facility Inc. proposes to purchase the existing Amaranth Township Landfill Site, exhume the existing municipal solid waste that has been deposited, and modify the Site to accommodate a soil management facility. This Project is subject to the Ministry of the Environment's Environmental Assessment process. An Individual Environmental Assessment (EA) is being prepared for the Project, the first stage of which is preparation of Proposed Terms of Reference for the EA.

Amaranth Soil Management Facility Inc., supported by its engineering consultants, Conestoga-Rovers & Associates, is conducting a second drop-in Public Information Open House, as follows:

Date: Tuesday, May 17, 2011
Time: 4:00pm to 7:00pm
Location: Township of Amaranth downstairs meeting room,
374028 6th Line, Amaranth Township.

The purpose of the Open House is to provide information about the revised Proposed Terms of Reference for the EA and to invite information, questions and comments from the public.

Representatives of Amaranth Soil Management Facility Inc. and Conestoga-Rovers & Associates will be available to provide information and to answer questions.

Copies of the material presented at the Open House may be obtained at the Township office. Electronic copies may be viewed on the web site: www.craworld.com (click on "News & Events", then "Public Notice Documents").

Comments and questions about the project may be directed to the following persons:
