

Amaranth Soil Management Facility Environmental Assessment

Terms of Reference Public Information Open House

Next Steps

Following this Open House the draft Proposed Terms of Reference will be submitted to agencies, Aboriginal communities and other interested parties. All comments and responses will be incorporated into a final draft Proposed Terms of Reference document. The Proposed Terms of

Reference will then be made available to all parties and will be submitted to the Ministry of the Environment for formal review and decision by the Minister.

Once the Terms of Reference is approved the Company will:

- Study and describe existing environmental conditions
- Identify and describe measures for mitigating potential effects
- Prepare EA Monitoring Plan
- Prepare Draft EA Report
- Consult and circulate Draft EA Report to the public, agencies and Aboriginal communities for comment

Please refer to the handout for contact information and websites for further information on this project.

Thank You.
