

Amaranth Soil Management Facility  
Environmental Assessment

Terms of Reference  
Public Information Open House

**Welcome**

Welcome to this Public Information Open House for the Terms of Reference for an Environmental Assessment (EA) of the proposed Amaranth Soil Management Facility.

The purpose of this Open House is to provide information to and invite comments and questions from members of the public, interested agencies, Aboriginal communities and other interested parties about the Amaranth Soil Management Facility draft Proposed Terms of Reference.

Representatives of the Company and its engineering consultants, Conestoga-Rovers & Associates, are available to answer any questions regarding the Terms of Reference.
